

Ysgol Greenfield School EIG Grant 2023-24

Education Improvement Grant

Education Improvement Grant (EIG) TARGET –		To spend £36,780 (last year £35,610)	Predicted spend £36,780	Where are we / Impact?	
To improve educational outcomes for all learners and to reduce the impact of deprivation on learners’ outcomes by:					
<ul style="list-style-type: none"> - Improving quality of teaching and learning - Addressing learners’ barriers to learning and improving inclusion - Improving the leadership of education settings - Improving the provision for learners and the engagement of learners 					
Key Target	Identified Need	Date	Expected Outcome	Cost EIG/School	Outcome (Evaluation)
To improve and support pupils with their emotional wellbeing.	A high number of pupils demonstrate difficulty with managing their emotions and wellbeing. All pupils in Greenfield have additional learning needs which can lead to increased incidence of mental and emotional health needs. ELSA support has been key in supporting pupils with their wellbeing.	1 st April 2023 to 31 st March 2024.	Pupils have improved skills in self-regulation which has a positive impact upon behaviour and readiness to learn. Reduced exclusions and reduced number of behavioural incidents recorded on Behaviour Watch.	HLTA Salary (4 days per week)	
To improve pupils’ health and wellbeing through increased movement.	There are high rates of obesity within the borough of Merthyr Tydfil. Many pupils in Greenfield do not access many or any physical activities outside of school. Our pupils need additional opportunities for movement to improve their physical and emotional health.	1 st April 2023 to 31 st March 2024.	Greenfield pupils have increased opportunities for physical movement. Reduced numbers of pupils that are obese. Improved physical and emotional health.	HLTA Salary (3 days per week)
